

Pre-loved lodge For Sale

Omar Headland

This well-kept 37 x 12, 2-bedroom lodge hosts view across the park. The kitchen is spacious, and patio doors leading from the living room open out onto the decking area that wraps around the full left side of the lodge. The Master bedroom features an ensuite toilet and walk in wardrobe area, this is a great holiday home in a great location, however the decking does need some attention, which is reflected in the price.
